FORMS REQUIRED WHEN HIRING NEW EMPLOYEES

- **Form I-9:** When hired, employees and employers must complete the Department of Homeland Security, U.S. Citizenship and Immigration Services **Form I-9, Employment Eligibility Verification**. Form I-9 is used for verifying the identity and employment authorization of individuals hired for employment in the United States. Be sure to use Form I-9 (10/21/19) which is available at www.uscis.gov or on our website at www.phbcpa.com. Instructions to complete the form are included with the form. Please be sure to use the most current version of Form I-9.
- All U.S. employers must ensure proper completion of Form I-9 for each individual they hire for employment in the United States. Employers must retain an employee's completed Form I-9 for as long as the individual works for the employer. Once the individual's employment has terminated, the employer must determine how long after termination the Form I-9 must be retained, either three years after the date of hire, or one year after employment is terminated, whichever is later.
- **Form W-4 - Employee's Withholding Allowance Certificate:** Must be completed by each employee when hired. **Their name should be the same as on their Social Security card. It is very important that the Social Security number and name match because the IRS will assess penalties on employers filing Forms W-2 with mismatched names and Social Security numbers.** We suggest that you verify this information through SSNVS as new employees are hired.

Refer to IRS Publication 15 – Circular E, Employer's Tax Guide and/or the Minnesota Income Tax Withholding Instructions and Tax Tables for Quarterly and Annual Filers for further information relating to Form W-4/W-4MN which can be accessed at www.IRS.gov, at www.revenue.state.mn.us or through our website at www.phbcpa.com.

MN Withholding Allowances – employees must fill out Form W-4MN as the allowances no longer follow the Federal W-4.

Note: If an employee claims to be exempt from Minnesota withholding, you must have them complete a new Form W-4MN each year.

- **MN Wage Theft Law:** The Minnesota law went into effect July 1, 2019. The law includes requirements regarding the timing of wage payments, written wage notices, earnings statements, and record keeping. There is additional information at www.phbcpa.com or https://www.dli.mn.gov/sites/default/files/pdf/wage_theft_summary_employers.pdf.
